“SCOUTING THROUGH COVID”

A virtual program designed for the **Key 3 Leaders of each Unit** and presented by members of our own Twin Valley District Operating Committee

Now more than ever, there is a need to gather challenges and share best practices dealing with Scouting during the pandemic not only sheltering in place but also getting back to the outdoors safely. Parents, please share your experiences and ideas with your unit’s Key 3 leaders.

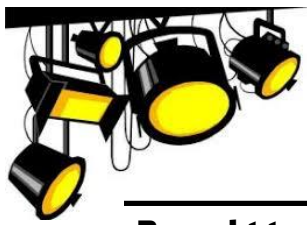

Tip of the Month

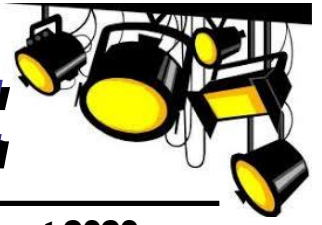

TV TIP OF THE MONTH:

As the pandemic persists, we must also **PERSIST** and continue to hold firm to our Scouting purpose and goals, even when it is difficult to do so. **WE ARE STRONGER TOGETHER** and must be persistent in continuing to share the Scouting experience with others!

Twinvalleyscouting.com website has updates regarding advancement as well as **resources and ideas.**
