PPE (Personal Protective Equipment) Collection Drive

~ There are MANY instances of groups organizing drives to collect and donate personal protective equipment (PPE) to frontline healthcare workers. Our Scouting community is participating with Stanford ValleyCare by reaching out through family and community connections to identify and solicit donations of masks and gloves, which will then be donated to local organizations. **Ways you can help:**

- Contact and collect PPE from businesses where you have family or community connections like labs, nail salons, auto mechanic shops, landscaping companies
- Deliver collected PPE between 8am-5pm at LifeStyleRx 1119 E Stanley Blvd, Livermore.

Please contact the Call Center with Questions (925) 416-3515
