Twin Valley District Dinner

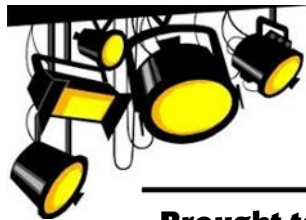

The Twin Valley District Volunteer Recognition Dinner was held on Saturday, May 7th. Led by Joyce Fink and Phil Weiss, the dinner, themed 'The Adventure Continues' was a great success as we recognized quite a number of scouters from both 2020 and 2022. One of the highlights of the event was awarding of the Bronze Burro to Jim Dalton of Troop 132, Fremont, for his efforts in organizing the repair of the road to Rancho Los Mochos.

We recognized two scouters with the highest award a district can give, the District Award of Merit. Congratulations to **Jeff Orthmann** and **Shannon Carroll** on being recognized for your outstanding contributions not only to your units but also to the Twin Valley district.

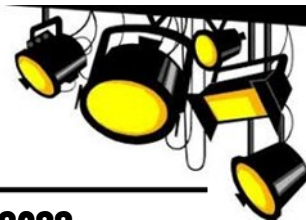

Andrew Evans joined the staff on February 16, to serve as the Twin Valley District Executive. He has been involved in Scouting since he was seven. Andrew earned the rank of Eagle Scout in 2017. He was also awarded the Medal of Honor with Crossed Palms for his lifesaving actions during a flash flood at Philmont Scout Reservation. Andrew graduated from Liberty University with a degree in Interdisciplinary Studies in 2021. He enjoys spending his free time in the outdoors hunting, fishing, and rock crawling. He also enjoys spending time with family watching racing.

Please email TVSpotlight@TwinValleyScouting.org by the 25th of each month with any news items you would like to have included in the newsletter published on the 1st of the next month. Items received after the 25th will be included in the following issue.
